

JANICE PERRY

JANICE PERRY

NOT JUST ANOTHER PRETTY FACE: a retrospective

“One of the World’s Most Respected Performance Artists” - BBC Radio

One of the USA’s most powerful alternative energy sources is celebrating 25+ years of international touring with her live/video performances. Perry brings us an avant-garde record of our own recent history and laughs us through her vibrant collection of social criticism and political satire-- from Marilyn Monroe through a few Gulf Wars, High Fashion, Erotica, Andrew Lloyd Webber, Mapplethorpe’s naked men and Arts Censorship.

The OTHER America- Hamburg Morgenpost

A cross between Doris Day and a high-velocity rifle- The Independent, London

A master at the peak of perfection - Cologne Anzeiger

Bizarre and Brainy- The Village Voice

Perry began touring in 1981 with her groundbreaking solo performances. Her work has been adapted for television, radio and print in the USA and Europe (NPR, PBS, BBC 2, Channel 4, BBC Radio 3, WDR). www.janiceperry.com
